### LABEL THE BICYCLE

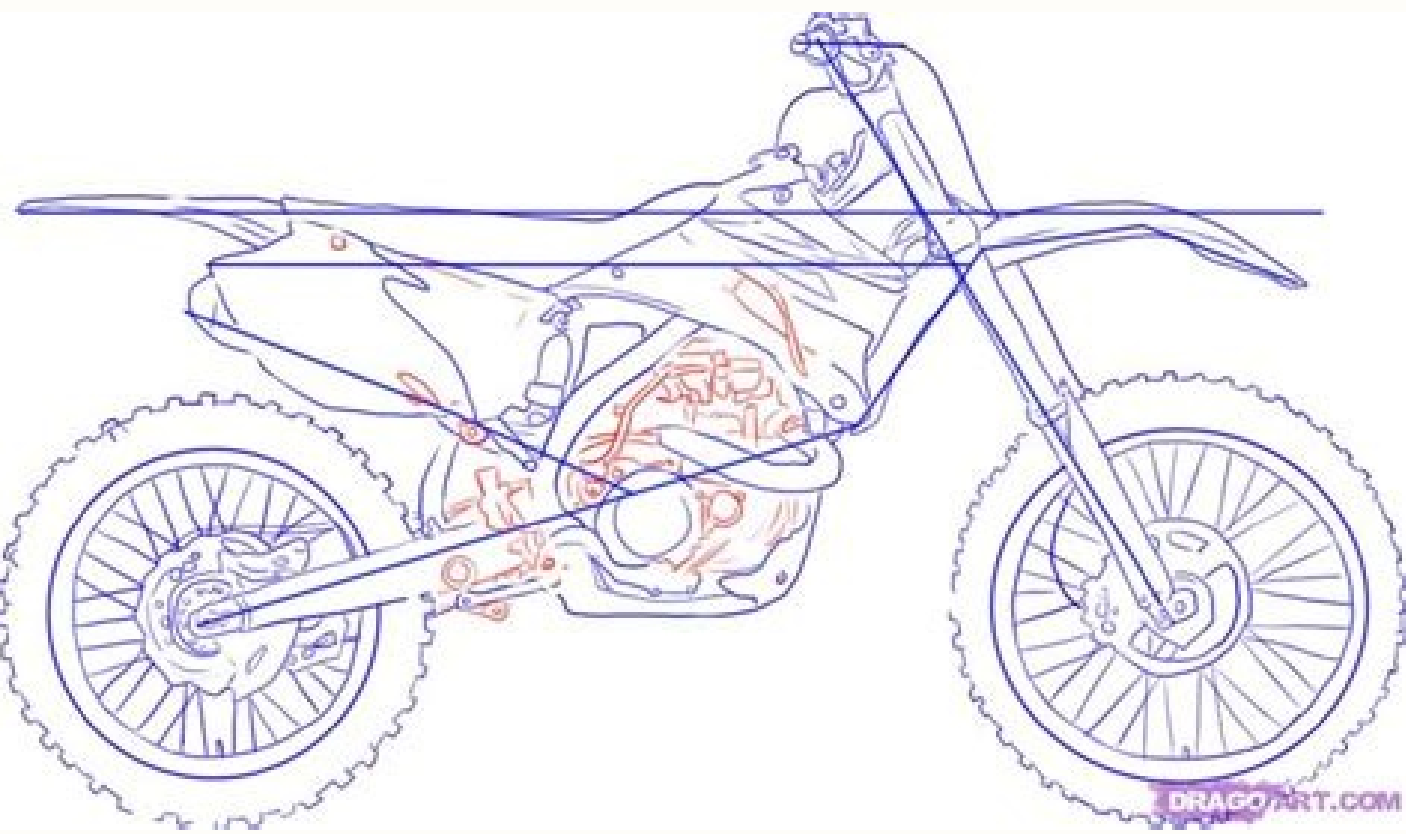

The Word Box below contains names of the different parts of a bicycle. Write the names in the spaces provided.

**Word Box**

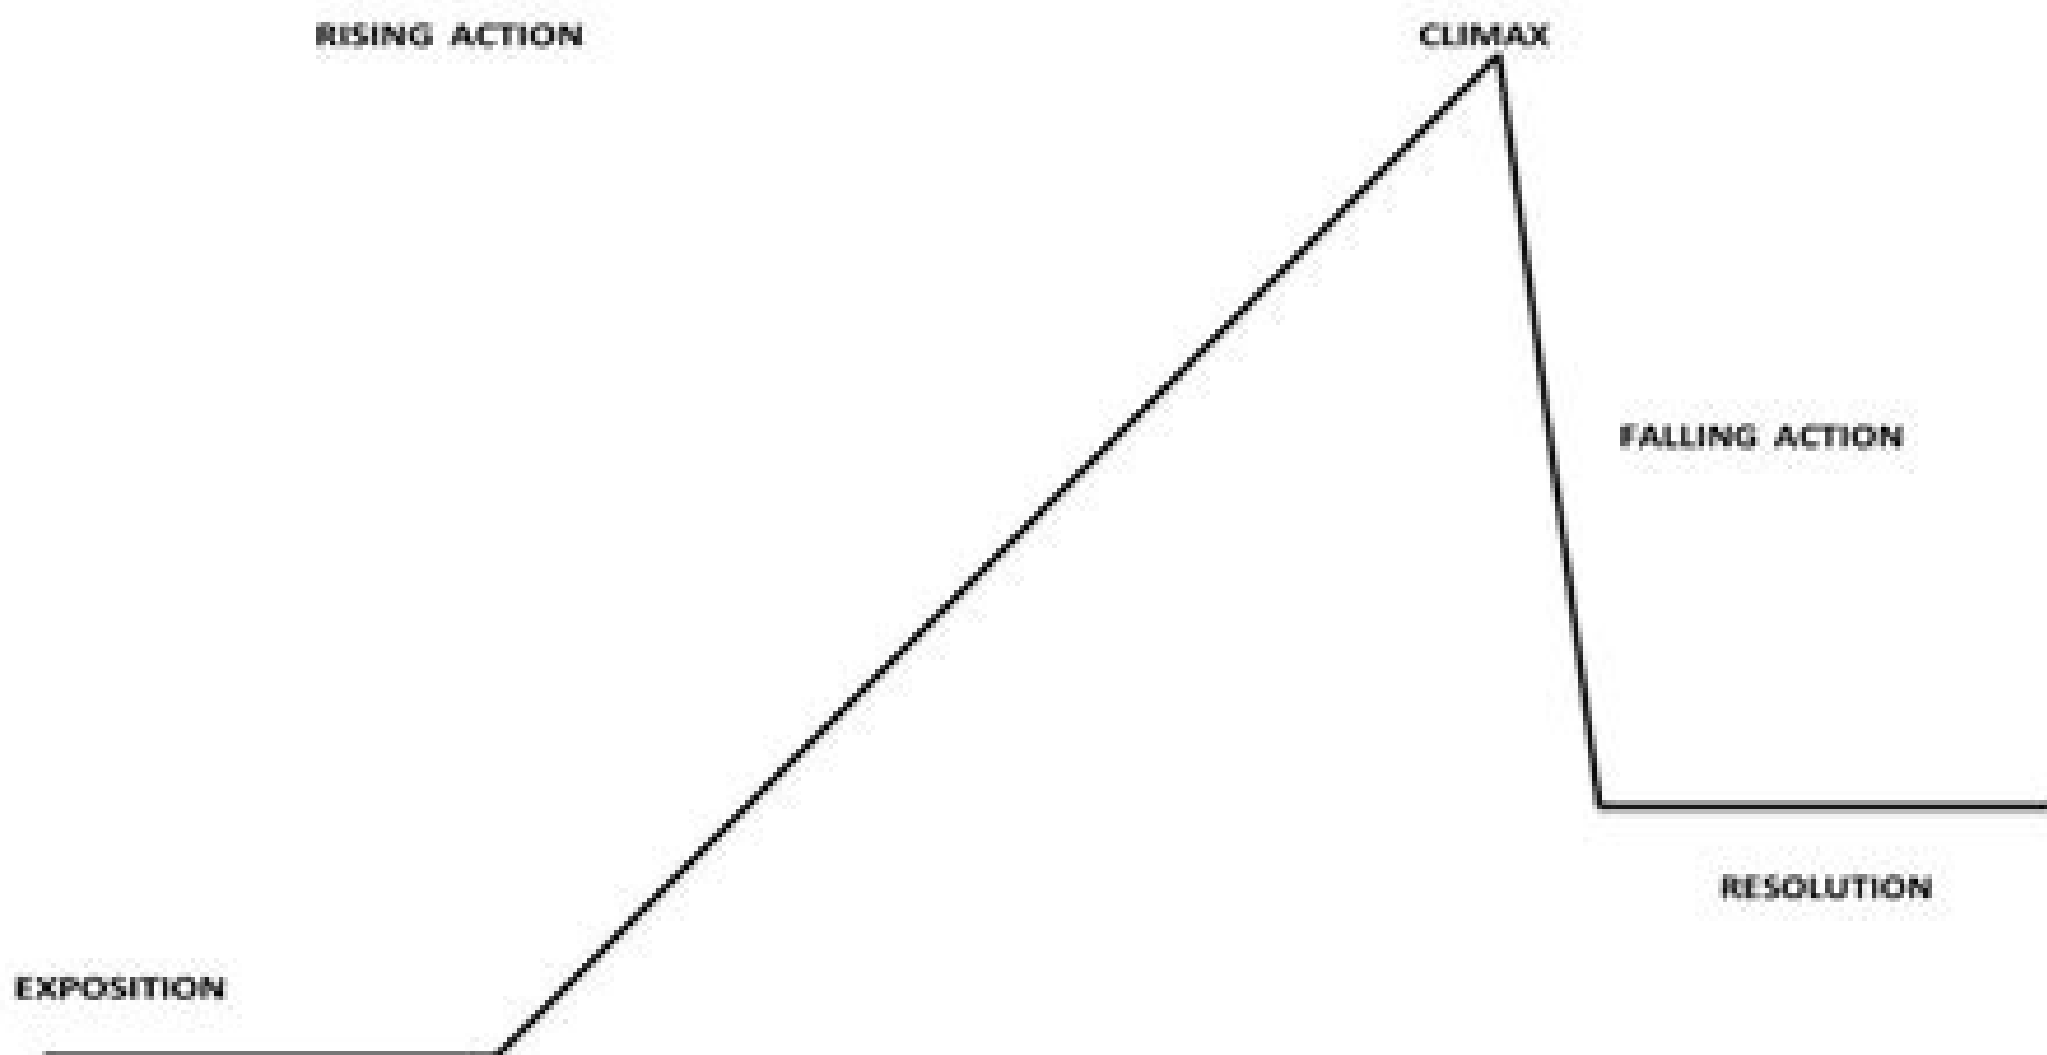

Handlebar Spoke Frame Seat Tire Pedal

A side-view illustration of a blue bicycle with black wheels. Several lines extend from various parts of the bicycle to blank lines below, intended for labeling. The parts include the handlebars, seat, frame, wheels, and pedals.

Vector black icon set bicycle repair parts icon Road bicycle with text. The purpose of the pilot is to allow the city and businesses to work together to better understand how cargo bicycles can successfully fit into the city's streetscape. Please update to the latest version. Based on the success of the pilot, NYC DOT will begin the rule-making process to make the program permanent in the coming months. Image of an old bicycle with a large wheel Bicycle crank vector collection. Raster Fixed gear city bicycle. Commercial Bicyclist Forums DOT holds interactive workshops for business owners about the commercial bicyclist law. The city has laws and rules to help make commercial bicycling safer. Commercial Bicyclist Outreach Summary This report outlines DOT's efforts to promote safety for commercial bicyclists with the nation's largest commercial cycling education and safety campaign. For any use Bicycle crank. After a bicyclist has completed the course, employers should indicate it on the required roster. NYPD will continue to enforce both traffic-related moving violations against bicyclists and §10-157 and §10-157.1 against business. Any garment, such as a jacket or vest, will be in compliance as long as the business name and ID number are legible, and it is retro-reflective. On white background Vector Bicycle Wheels. Links & Resources: Commercial Cargo Bicycle Pilot - Evaluation Report (pdf) Mayoral Press Release Existing Commercial Bicycling Requirements Trucks & Commercial Vehicle Info General Bicycle Info Context: NYC DOT is committed to exploring the expansion of options for sustainable and efficient transportation modes for freight delivery. Learn more about the NYC Business Owners Bill of Rights Bicycle parts icons. Vector Illustration Vector Bicycle Icons. All commercial bicyclists in New York City are required to review the course. This pilot is intended to encourage the use of low or no-emission vehicles for last-mile freight delivery. Illustration eps10 graphic Bicycle icons set. The legislation related to this law is available from the City Council. Administrative Code of the City of New York §10-157 and §10-157.1 pertain to businesses that use bicycles for commercial purposes. Bicycle background like wheels and gears Bicycle repair parts icon. Etsy is no longer supporting older versions of your web browser in order to ensure that user data remains secure. Simple icons, icon Set icons of bicycle, biking, bike parts and equipment. Illustration eps 10 Illustration of bicycle parts. Isolated on white Bicycle parts icons. Hand drawn Bicycle collection in doodle style. Hand drawn. Isolated on white Bicycle parts. View the online course in English, Chinese (中文版) or Spanish (español) Download a printable version of the course in English, Chinese (中文版) or Spanish (español) Requirements for Businesses Requirements for Businesses using a Bicycle for Commercial Purposes A business using a bicycle for commercial purposes that does not have a site within the City of New York that is open and available to the public must register with the New York City Department of Transportation. Businesses must equip commercial bicycles with the following: A bell or other audible device - not a whistle or siren White headlight and red taillight from dusk to dawn Reflectors on each wheel and front and back of bicycle Brakes A metal or plastic sign at least 3 inches by 5 inches with the business name and a unique bicycle ID number for each bicycle (different from the bicyclist's ID number). Registration Form for Businesses using a Bicycle for Commercial Purposes Commercial Bicyclist Safety Poster Businesses that use bicycles for commercial purposes must post the commercial bicyclist safety poster where commercial bicyclists will easily see it and in languages that they understand. Check the Events calendar for upcoming forums Update to Commercial Bicyclist Laws This page reflects recent amendments to §10-157 and §10-157.1 of the Administrative Code of the City of New York, effective on September 27, 2017. The best way for business owners to help their employees safely carry deliveries is to provide a basket or pannier. Failure to comply with these laws and rules may result in a fine. Requirements for Commercial Bicyclists Commercial Bicyclist Safety Course The Commercial Bicyclist Safety Course covers essential information about employer and bicyclist responsibilities for safe biking with all necessary equipment. Bicycle crank or gear vector collection Bicycle Seat. If someone leaves, business owners may reassign that number, and record the change in their log. The sign must be affixed to the rear of each bicycle or bicycle seat, or both sides of the delivery basket. Download a bicycle sign template (pdf) Carrying Deliveries Hanging bags from handlebars is not recommended. Rightt side bicycle crank. Download the poster in English, Chinese (中文版), Greek (ελληνικά), Haitian Creole (Kreyòl Ayisyen), Italian, Korean (한국어), Russian (русский язык), or Spanish (español) The poster is also available in a black-and-white version that prints on two letter pages. Bicycle, icons, set, vector, EPS10 Vector Spare Parts Borders. Download the black-and-white post in English, Chinese (中文版), Greek (ελληνικά), Haitian Creole (Kreyòl Ayisyen), Italian, Korean (한국어), Russian (русский язык), or Spanish (español) Roster Businesses that use bicycles for commercial purposes must maintain a roster that includes each commercial bicyclist's name, residence address, date of employment and discharge from employment, unique 3-digit ID number, and confirmation that the bicyclist has completed the DOT Commercial Bicyclist Safety Course. Templates Commercial Cargo Bicycle Pilot Program The Commercial Cargo Bicycle Pilot Program, launched in December 2019, encourages the use of cargo bicycles for commercial purposes in New York City, and is open to any business interested in utilizing cargo bicycles. At a forum, business owners can learn about the law and keep their employees safe, and also get a free sample of equipment required for commercial bicyclists. Use the link below to provide your information. Download the report (pdf) NYC Business Owners Bill of Rights The City of New York provides certain rights to business owners regarding customer service, permits and inspections. Suitable for illustrations Bicycle. Raster. Enforcement DOT's Commercial Bicycle Unit will enforce §10-157 and §10-157.1 of the Administrative Code of the City of New York while inspecting those businesses using bicycles for commercial purposes and in response to 311 complaints.
